1958

DEDICATION

We, the Seniors of the class of 1958, as we pass from these halls of learning, do dedicate this annual to the community; our parents, who have stood by us through the trials and joys of growing us; the school board, who have been so lenient in allowing us special activities; the faculty, who have endeavored to train us in the way we should go by teaching us to the best of their ability; and the many individuals who have encouraged and guided us in this important phase of our life.

Senior Class

When school started on August 30, 1957 there were 28 seniors enrolled. During the year we lost three and gained one.

For money, which was badly needed, we sold eye glasses, cleaners, had bake sales, and at the Halloween Carnival we had a sponge throw. At all the ball games we sold pop. We had the Senior Class Play, "Taming the Brat," on October 18.

Two Senior girls were voted Varsity Cheerleaders and three boys went out for basketball.

The Seniors this year are planning a trip to the Smokies. We are planning a four day trip, which will take us to Chattanooga, Nashville, Jefferson's home, and such historical places.

CLASS PROPHECY

Last summer was one of the most enjoyable summers I have ever spent. It was during the middle of July, 1970, that I, Jim Hill, decided to attend a dental convention in Los Angeles. I felt that I could "kill two birds with one stone" by learning the latest methods in dentistry and by visiting some of my old high-school friends. Little did I realize at that time just how many classmates that I was to meet. A friend and I jumped into his red and white plaid helicopter and were off in a flash for old "Californy". I well remembered how everyone used to drive automobiles back in my high-school days instead of taking to the air as we modern people do today.

It was getting on well into the afternoon when I heard that familiar growling in the pit of my stomach. Just then I glanced down and saw a hot-dog stand. We landed the hunk o' tin and walked to the stand. We were greeted by Don Piper, my old classmate, owner of the hot dog stand. After polishing off eight hot dogs and two malts, we ambled out to the helicopter. I noticed a handsome Rocky Mountain forest ranger admiring the helicopter. He was no other than Bill Inyart. It was getting late; so Bill easily persuaded us to "bunk up" in the nearest city, Denver, and go with him to the rodeo. As soon as the show was over, we walked over to have a short chat with Ed Mitchell, the famous rodeo star and horse trainer.

At the crack of dawn, we were on our way to our destination. We flew over the Grand Canyon and the fabulous Painted Desert of north-central Arizona with all its beautiful array of colors displayed in the rocks. As we flew on, we noticed the irrigated lands with thousands of acres of orange groves. We decided to stop and buy some oranges to eat along the way. I was surprised to discover that all of those acres were owned by Jim Rodgers and Larry Miller. They gave me a crate of oranges, and we continued on our way.

We reached Los Angeles by late afternoon and took a taxi to the Blue Plaza Hotel, the largest hotel in the city. We had planned in advance to stay there because it was one of the best hotels in the nation and was owned by Ethel May Groves, an old high-school classmate. The bell boy, Harry Minniear, took our suit cases to the desk where we were registered by Mary Atkins, the desk clerk. I must say that Ethel surely had an efficient group of employees.

I later saw Ana Gray, the famous comic book author, in the hotel lounge. After talking with Ana for several minutes and telling her that I read no other comics but hers, Ethel May invited Ana, my friend, and me to have dinner with her. During

dinner we were entertained by an excellent comedian, the well-known Delvin Pittman, and by a melodious orchestra conducted by Willis Prout. I have never in all my life eaten so much delicious food. It was prepared by the noted French chef, Pierre Jon Foster.

After dinner, I crawled up to my room: I was suffering from acute indigestion. How was I to know that "snaegel" was French for snails. Letha Gudgel, the hotel nurse, had me feeling better in a few minutes, though, with the aid of a couple dozen pills.

Ethel May asked if we would like to visit the city's most promising bachelor—and owner of the local Texaco Oil Company, Keith Routien. We replied that we would like nothing better; so her hot-rod chauffeur, Lenard Hulfachor, drove us to Keith's estate. We had a long talk with Keith. Later at our bedtime, Keith called a taxi to take us back to the hotel. For some reason or other, Ethel May wasn't quite ready to leave and decided to stay a while longer.

In the morning I went down to take a quick dip in the swimming pool inside the hotel. At the pool I noticed the hotel's swimming instructor, Pat Westall, who recognized me when I pretended I needed some swimming instruction. Later as I was walking up the stairway, I slipped on a banana peel and tumbled down three flights of stairs. Although I wasn't hurt, I was quite irritated. And why shouldn't I be? Who wouldn't be sore to roll down all three flights of stairs before several laughing people. I went to complain to the janitor, but my irritation disappeared when I met janitor Jim Miller and his faithful assistant, Sue Moan.

I noticed that I had torn the knee out of my trousers. It must have happened when I slid into the swimming pool. As I entered the shop of the city's most skilled seamstress, I was surprised to see that she was Susan English. Susan told me that she had fallen in love with the skill when she was mending "the little accident" that occurred at the senior class play.

While I was walking up to my room, I bumped into Jim Bonewits, a college professor at U.C.L.A. I later entered my room and was cheerfully greeted by Ilena Martin, who was one of the hotel's cleaning women. We talked over old times while Ilena cleaned my room. I turned on the T.V. set to watch the afternoon football game. One of the cheerleaders looked familiar, and I then realized that it was none other than Donna Harbaugh. After the game I turned on another channel and watched the famous singer, Sharon Burbank, on her weekly T.V. program.

In the late afternoon, Kay Correll, the hotel's social director, proposed that several of us old high-school classmates at the hotel get together and enjoy the hotel's unlimited recreational facilities.

In the evening we made plans to hear a lecture by the distinguished physicist, Daughn Earnst, on his recent trip to Venus. It was a very interesting lecture. After Daughn's lecture, our out-of-state classmates flew in (by airplane that is) and we all went together for a wonderful reunion at a nearby park. The reunion was so successful that we now plan to get together each summer and reminisce.

JUNIOR BAND

MUSIC DEPARTMENT

Band

The band this year has increased in size from a small band to over sixty pieces. We were very proud of the size of our band, even tho we had to order new uniforms to outfit everyone.

This year the Midland Trail Band Festival was held in Sumner. Each school in the conference was well represented, making a band of over 200 pieces under the competent baton of Dr. Leo Dvorak of Eastern Illinois University.

The band played at both the Senior Class play on October 18 and the Junior Class play on March 28, and the home basketball games. Again this year, the band had a Christmas concert in which all the grade choruses participated with singing and appropriate scenes on the stage. The highlight of our year was the Spring Concert held on May 2. The climax was the Baccalaureate and the Commencement.

The entire band played one night during the Midland Trail Tournament at Louisville. Six of the first chair players went to Louisville for the All Conference Band, but due to an automobile accident on the way, they were unable to continue on to Louisville for the final night. They were: Susan English, Donna Fortney, Sherman Berry, Gary Everette, Mary Atkins, and Sue Moan.

At the District Contest this year held on March 1 at Newton, we came home with 3 firsts, 6 seconds, and 5 thirds. State Contest was held at Odin on April 18, we came home with 1 first, 1 second, and 1 third. For the first time in 6 years, our band went to District Contest. We came home with a 3rd rating, but feel very proud of the wonderful experience the younger students received.

This year six band members will graduate. So by next year the band personnel will be quite different. We hope to have a dance band and to have better experience with our marching. We will have more large instruments next year to balance our size.

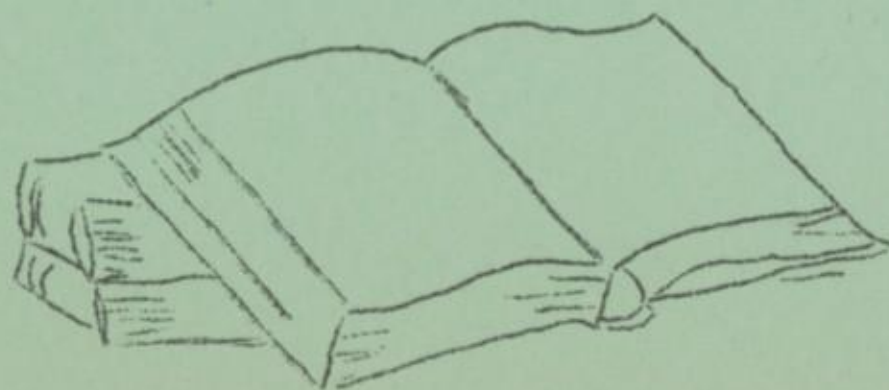

Chorus

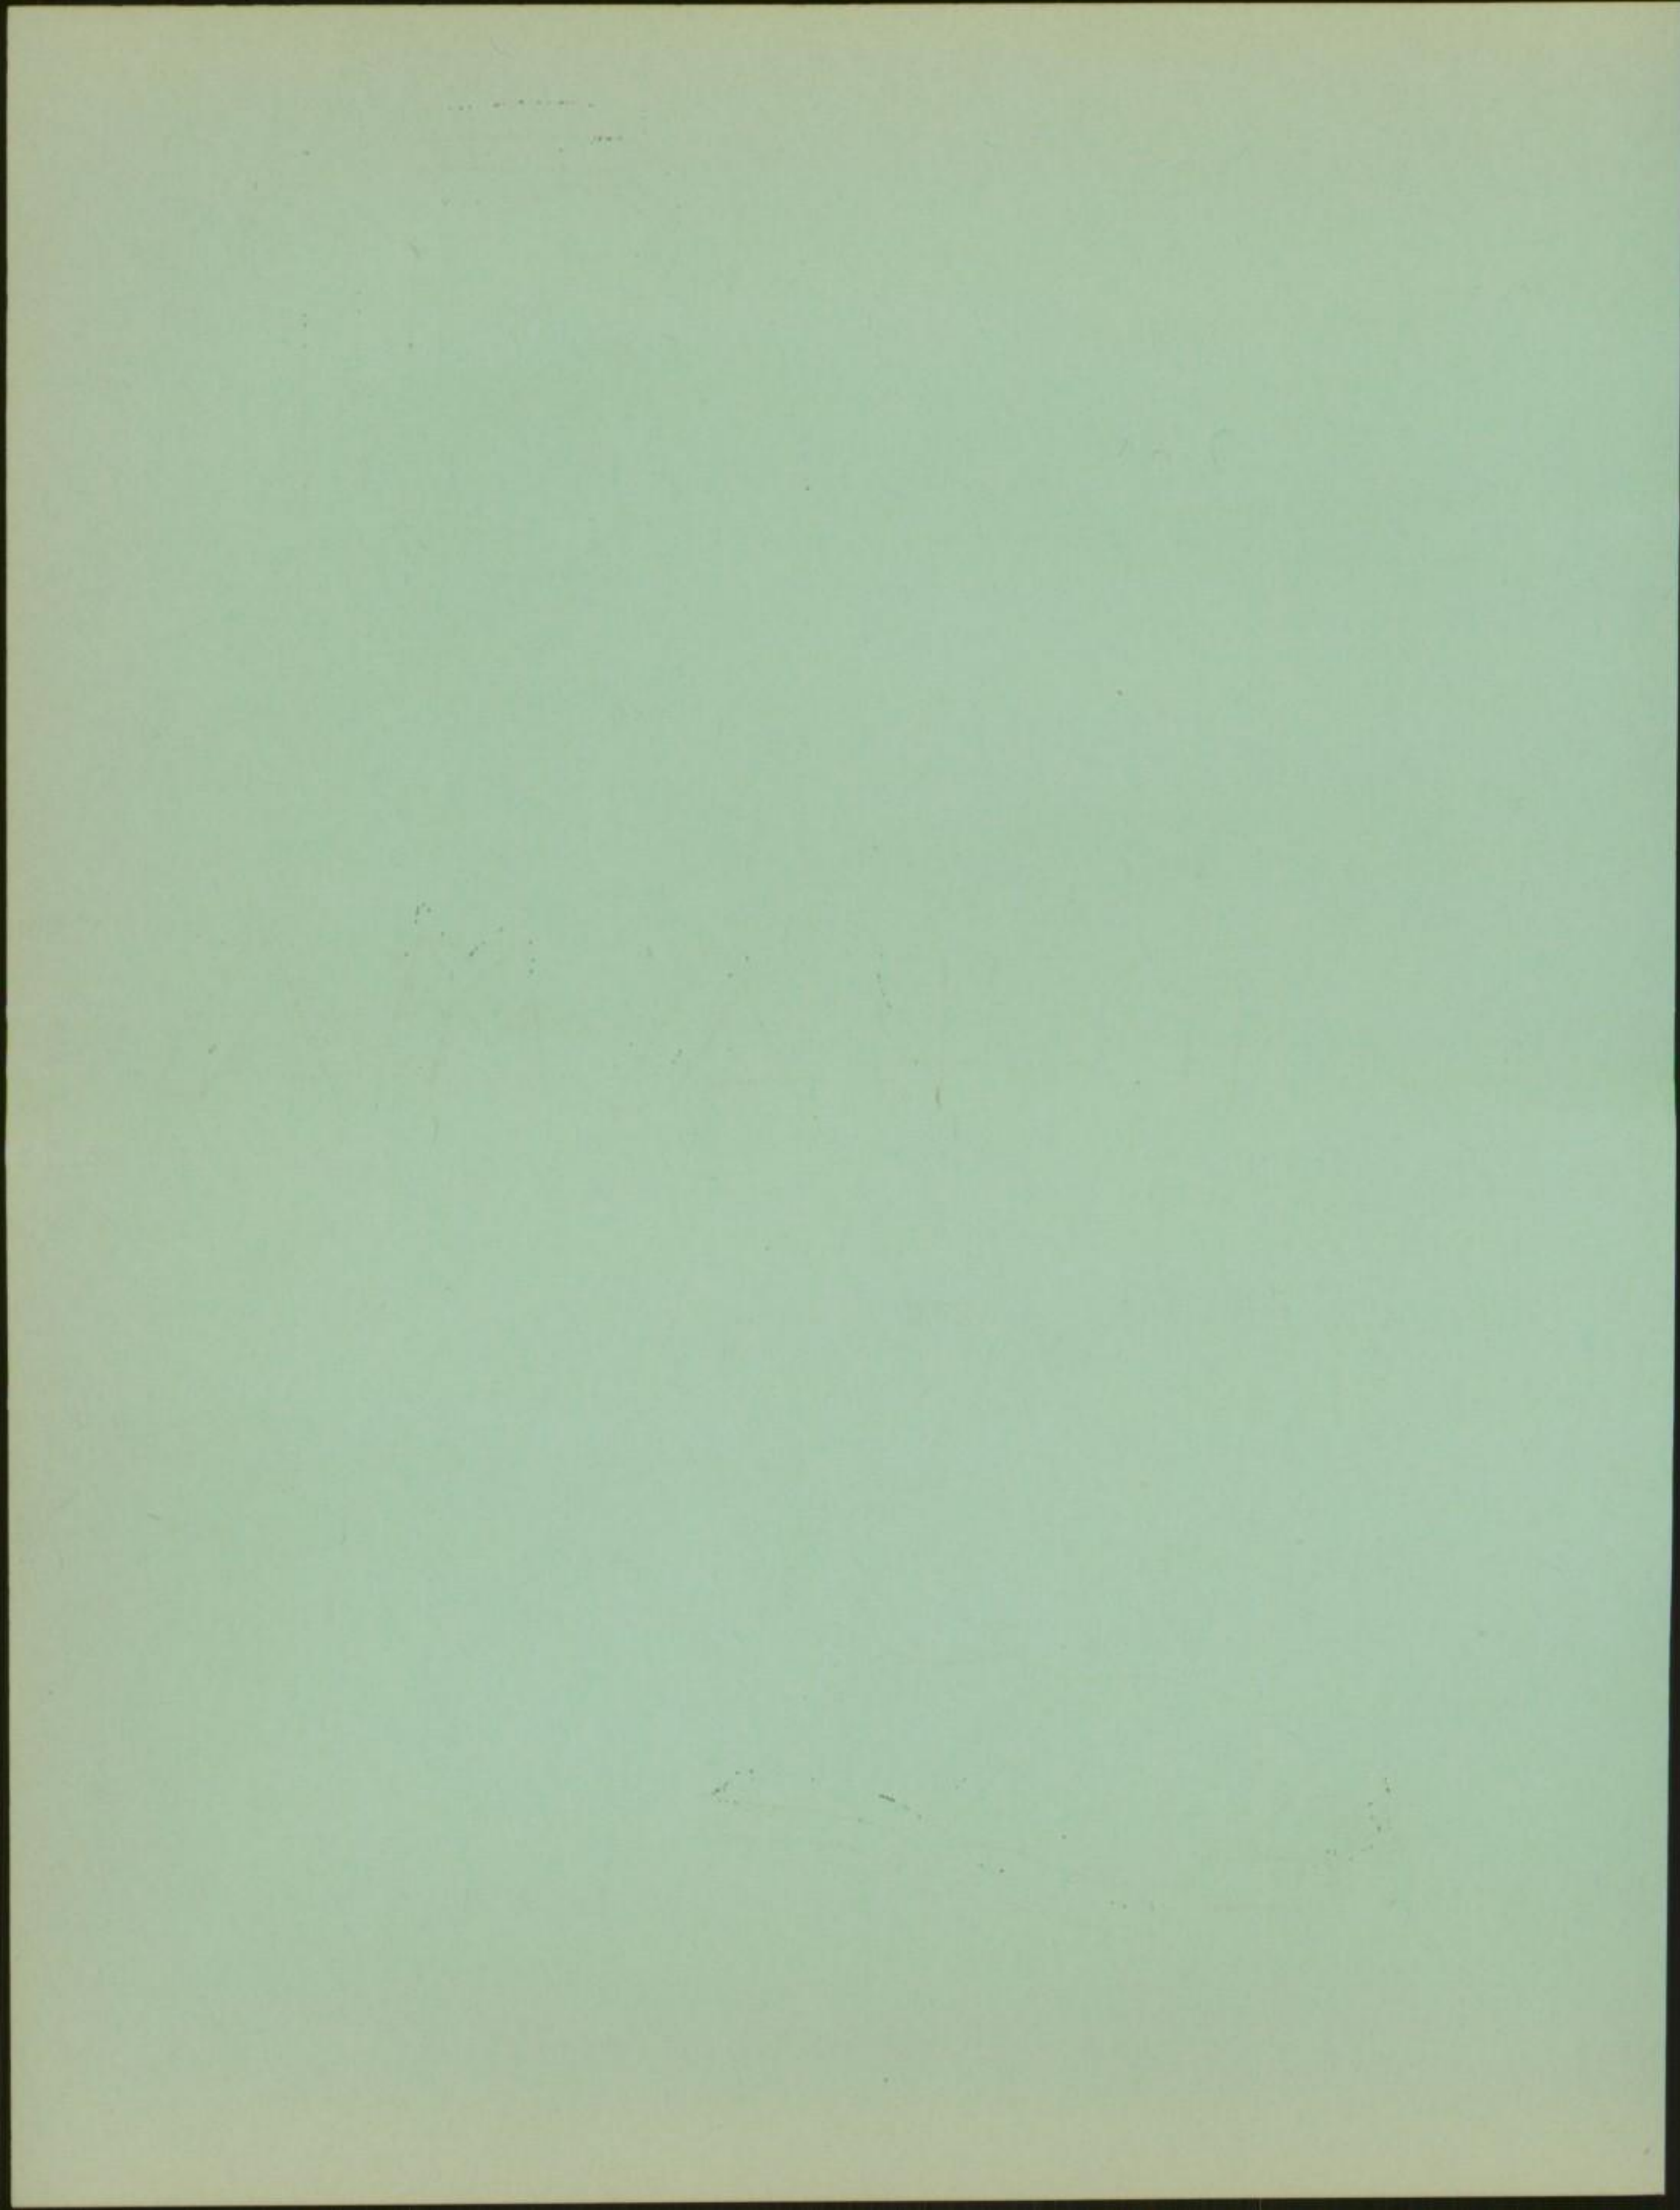

The chorus is made up of 30 members of both high and grade school students. The chorus sang two songs at the Thanksgiving Service held at the E. U. B. Church on November 27, 1958. The chorus played a big part in the Christmas program held in the school gym on December 20.

A sextet, made up of Mary Atkins, Susan English, Donna Stout, Donna Fortney, Gary Everette, and Sherman Berry, was entered in the District Music Contest at Newton on March 1, where they received a 2nd rating.

DRAMA

Taming the Brat

The Senior play was given October 23, 1957. The play was entitled "Taming the Brat," written by Earl Louis Russell.

The plot centered around an only daughter of the Nagels. Mrs. Nagel had "brought the daughter up" according to the book, which had scorned any kind of discipline lest it affect the child emotionally. Result--a spoiled brat who threw tantrums at random just to get her way. At the time the play starts she is a teenager and the thing she wants now her parents can hardly provide--but Mr. Nagel tries even to buy her a boy friend. It happens that the one she wants, another also wants! Complications follow--bitter words are spoken, anxiety soars, even a terrific fight ensues over the "childish" behavior. But when a good friend tells her that her father has tried to buy her love, she reforms immediately and turns out to be a normal girl whom all admire. The action was swift and the scenes were interesting.

In behalf of the cast and class, Larry Miller, class president, made a presentation of a beautiful white chenille bed spread and a bouquet of red roses to Miss Henry in appreciation of the assistance she presented to the play.

LET ME OUT OF HERE

The spring dramatic production of the Sumner High School was the play "Let Me Out Of Here", produced by the junior class on March 28, 1958.

The play, written by J. Vincent Barrett was a 3 act farce comedy. The scene was the apartment, shared by Eve Boyd and Bona Lynn. The plot revolved around the suspicious Auntie Angela Boyd who furnished the money for Eve to go to college. However, Eve wasn't going to college; instead, she was working and saving her money. When Auntie Angela decided to visit Eve, things had to happen fast. Bona's brother, Garrett, and his pal, Victor, make an impromptu call too! Tragedy strikes when Victor accidentally tears his trousers and hides in the apartment while Garrett takes the trousers for repair.

To save Eve and prove to Auntie that Eve is attending college, a disguise is effected to make Garrett a teacher who will speak for Eve's progress in school.....the disguise and the torn trousers create an evening of confusion.

The play was well received by a very appreciative audience. Larry Karns, in behalf of the class and cast, made a presentation of red roses and 2 other appropriate gifts to Miss Henry for her effort in directing the play.

Mrs. June Ortman presented the band in a pre-curtain concert and between the acts.

Cisne vs Sumner - In the opening game of the season on Sept. 6, 1958, the Sumner Arabs lost to the Cisne Lions by the score of 8-2 at Sumner. Larry Miller banded out a double and a single for two of Sumner's three hits. Johnson was the winning pitcher. Hulfachor pitched all the way for Sumner, giving up 14 hits. TOTALS: Sumner--2 runs, 3 hits, 4 errors; Cisne--8 runs, 14 hits, 2 errors.

Sumner vs Noble - On September 10 at Noble the Arabs tied the score at 2 all in the 4th but allowed 4 Noble runs to cross the plate in the 5th, losing 6-2. For Noble, Newlin struck out 7 and walked 3; while Hulfachor fanned 5 and walked only 1. TOTALS: Sumner--2 runs, 4 hits, 4 errors; Noble--6 runs, 9 hits, 1 error.

Clay City vs Sumner - Held to a scratch single, the Arabs were slaughtered at Sumner by Clay City 12-0 on September 13. Until the 5th inning the Wolves led only by 4-0 but picked up 8 runs in the 5th and 6th innings. Although collecting only 5 hits, the Wolves took advantage of the 5 wild pitches, 6 walks, 7 errors, and 10 stolen bases to compile 12 runs. Clay City's Bryant struck out 16 in winning over Hulfachor. TOTALS: Sumner--no runs, 1 hit, 7 errors; Clay City--12 runs, 5 hits, 2 errors.

Sumner vs Clay City - In their return engagement with the Wolves on September 25, the Arabs were defeated at Clay City, 11-1. Gary Everette collected the only extra base hit for Sumner, a triple. Aided by 7 walks and strong pitching by L. Hildebrand, Clay City picked up an early lead. Hildebrand picked up the win; Hulfachor suffered the loss. TOTALS: Sumner--1 run, 4 hits, 4 errors; Clay City--11 runs, 6 hits, 2 errors.

Sumner vs Cisne - On September 27, Sumner traveled to Cisne for a game; they again lost to Johnson, this time by a 10-0 score. Sherman Berry got the only hit for the Arabs. Johnson struck out 11 in his victory over Sumner, aided by 9 errors by the Arabs. Hulfachor took the loss, striking out 5. TOTALS: Sumner--no runs, 1 hit, 9 errors; Cisne--10 runs, 10 hits, no errors.

Noble vs Sumner - For the first time since 1954, the Arabs won a baseball game as they defeated Noble 10-9 in a thrilling two-day affair beginning on October 2. Playing on their home field, the Arabs picked up an early lead with 3 runs in the 2nd. In the 3rd each team scored a run. In the top of the 4th Noble added another run to make it 4-2. In the bottom of the inning Larry Miller slammed a 3-run homer to put the Arabs into a comfortable 7-2 lead. Trouble came in the 5th when Noble scored 4 runs on 4 hits while the Arabs were put down in order, making the score 7-6, Sumner still leading. Neither team scored in the 6th. It looked as if the Arabs were going to win the game without even batting in their half of the inning, as Noble had no one on with 2 out; but they scored 3 runs on 2 hits to lead 9-7 going into the last of the seventh. Miller got on base with an error to start off the inning; Everette struck out to make it one away. Leonard Hulfachor then singled, sending Miller to third. Prout, pinch-hitting for Houser, was hit by the pitcher—the bases were loaded. Perry then singled to bring in Miller, leaving the bases still loaded. At that time, because of darkness, it was agreed to finish the game the following day. Routin came to bat to resume play. He got on first by a fielder's choice, but Hulfachor was forced out at the plate on the play. With 2 out and the bases loaded, Johnny Barnett singled, driving in Prout and Perry with the winning runs. Hulfachor took the win, striking out 6, walking 5. Newlin absorbed the defeat for the Wildcats, having relieved L. Clark in the 5th. TOTALS: Sumner—10 runs, 8 hits, 10 errors; Noble—9 runs, 10 hits, 2 errors.

BASKETBALL

Varsity

The 1957-1958 basketball season proved to be a disappointing year for all concerned. Lack of experience, low morale, and several tough breaks contributed to the Arabs's 1-22 record. Nine games were lost by only 11 points or less. The turning point of the season was the home game with Clay City which we lost 52-50 after leading all the way until the last few minutes. After that a defeatist attitude was prevalent.

Sumner's only win was a 65-55 home game win against Cisne; after being tied at 17-all at the end of the 1st quarter, the Arabs went ahead to stay. In a home game with Clay City, the Arabs jumped to an early lead and, at the end of the 3rd quarter, remained ahead, 42-41. Tied at 50-all with less than a half-minute to play, Clay City dropped in 2 free throws to ice the game. Against a tough Hutsonville five, the Arabs put up a rough fight to a much taller club, but lost 83-69. Sumner almost ruined Louisville's homecoming with an amazing comeback; but the rally came too late as Louisville won 62-57. At Dieterich, the Arabs put on a late rally which fell short, 47-42. Although they were defeated 80-41 at Allendale, the Arabs came back to give the Yellow-Jackets a scare at Sumner as they led almost all the way until the last minute, losing 43-42. In the last regular scheduled game of the season, Sumner put up a staunch fight against a much taller and classier Kinmundy team, losing 79-68 at Sumner. Palestine eliminated the Arabs in the first round of the District held at Palestine by the score of 70-46.

Next year four starters will be back: Everette and Atkins--sophomores; and Harbaugh and Hayes--juniors. Others who will be great help next year are: Sherman Berry and Jerry Cross--juniors; Jerry Perry, Larry Petty, David Sanders, and Ed Stevenson--sophomores; and Johnny Barnett, Kenneth Gentry, Keith Hamilton, Gerald Houser, Jerry Hutchinson, Ed Moan, Richard Stevenson, and Wendall Wright--freshmen. There is a good prospect for a fair season next year. Coach Robinson sees no reason why the Arabs cannot take at least 4th in the Midland Trail Conference behind Kinmundy, Clay City, and Louisville. Although not excelling in height, the Arabs have several good ball handlers and a few sharp-shooters.

Delvin Pittman was the varsity captain this year. Gary Everette had a tremendous year: he led the scoring with 379 points, led in field goal percentage with .402, won the free-throw trophy with a .712 average, was 3rd in the Midland Trail

Conference scoring; and was named 4th on the Midland Trail All-Conference First Team. With a minimum of 50 free-throw attempts, Delvin Pittman won second place with a .684 average. Next year, Sumner will host the Midland Trail Tournament.

The varsity cheerleaders were Donna Harbaugh, Sue Moan, Kay Pittman, and Patty Zehner. They faithfully and wholeheartedly cheered on the Arabs.

Second Team

Over all, the "Little Arabs" had a successful season in winning 7 of 20 games. In only a very few games were the "Little Arabs" defeated badly. Many times, players sat out part of the game on the bench so that they might be rested for the varsity game. In a few games sickness and injury hurt our chances of winning. Jim Rodgers, captain of the team, led the scoring with 252 points; Sherman Berry was second with 200 points followed by Jerry Perry with 178. The second team free-throw trophy went to Jerry Perry who had a percentage of .628; Sherman Berry took second with a .579 average. Sharon Brasel, Debbie Heath, and Ardith Perry were the cheerleaders.

Freshman-Sophomore Team

The Freshman-Sophomore "A" team won all of their 4 regular scheduled games but dropped a 61-52 decision to the eventual champions, Kinmundy, in the Freshman-Sophomore Tournament. If they had defeated Kinmundy, the "Junior Arabs" should have won the tournament easily. The "B" team won 2 of their 4 games, while the Freshman team split 2 games with West Salem. The cheerleaders for the Freshman-Sophomore team were Sharon Brasel, Debbie Heath, and Ardith Perry.
